Funding empowerment and foundations and global gender

April 5th, 2020 - On the other hand, we find trends in the opposite direction in declining shares of funding for general operating costs, leadership training, and coalition building for groups engaged in political advocacy trends that may weaken the ability of gender equality organisations to promote enduring change.

These are the Top 10 Most Gender World Economic Forum
June 8th, 2020 - Iceland has been the frontrunner on the global gender gap index for 11 years in a row. It’s followed by Nordic neighbours Norway, Finland, and Sweden. The latest figures show the global gender gap narrowed slightly to 68.6 but gender equality is still almost a century away at the current pace of change. Almost 90% of men and women globally are biased against UNDP
May 21st, 2020 - These were the findings behind the new gender social norms index released by the United Nations Development Programme UNDP today. This index measures how social beliefs obstruct gender equality in areas like politics, work, and education and contains data from 75 countries covering over 80 percent of the world’s population.
