13 Australian horror movies that'll scare the shit out of you
May 30th, 2020 - We all know America is capable of producing some damn good horror films, but Australia can make a horror flick so creepy that you'll never think of Oz the same way again.

The Best of Cannibal Films IMDb
May 31st, 2020 - Even though not all cannibal films show cannibalism on screen, all the movies are connected with the genre by stating that the tribe is cannibalistic while cannibalism is the uniting feature of these films. The general emphasis focuses on various forms of shocking, realistic, and graphic violence, typically including torture, rape, castration, and or animal cruelty.
